

2025 WATER KOREA

INTERNATIONAL WATER INDUSTRY EXPO

2025. 3. 19. (Wed) ~ 3. 21. (Fri)

KINTEX Exhibition Center 2 7~8A Halls

Hosted by

Sponsored by

Gyeonggi Province
Water Industry Support Center

KBIZ Korea Federation
of SMEs

kotra
Korea Trade-Investment
Promotion Agency

WATER KOREA × GROWMAPS

View the large exhibition center efficiently with the mobile booth layout drawing and optimized navigation guide!

- ◆ The large exhibition center is in the palm of your hand! Convenient mobile booth layout
- ◆ The QR code scan provides optimal directions to the desired booth
- ◆ You can check directions as well as information on participating companies and events

How to use it conveniently

indoor navigation

Scan the indoor navigation
QR code or use the kiosk inside
the exhibition hall

Set your current location as the
starting point and the booth you
want to visit as the destination

Follow the directions to go to the
booth you want to visit!

WATER KOREA Smartphone App

Check out the WATER KOREA smartphone app for detailed information about events and companies!

Scan the QR code or search for “WATER KOREA” on Play Store or App Store to install the app.

Android

iPhone

Event 1

Welcome Tea at the Tea Lounge!

Entrance
of Hall 7B

Have a warm cup of welcome tea
at the Tea Lounge
after entering the exhibition Hall!

Event 2

Pre-registration + On-site Visitation Event

KINTEX
Halls 7~8A

Pre-register online and visit the
exhibition center!
We are giving away chicken coupons
through a lottery!

Event 3

Stamp Tour Event

Participating
company
booths
Stamp mission
locations

Tag your access card at more than eight
participating company booths marked
with and three stamp mission locations
at the exhibition Hall!

TIP The more places you visit, the higher your
chances of winning a prize!

Event 4

Buyer Participation of Purchasing Consultation Meeting Event

Participating
company
booths
purchasing
consultation
meeting rooms

Check out the outstanding products and technologies
of Korean water companies! We offer generous
benefits to buyers participating in purchasing
consultation meetings.

- Participation benefits** Fire extinguisher for vehicles, recognition of 2 hours of training, issuance of win-win cooperation certificate (optional)
- On-site event** On-site giveaway of a Galaxy Tab (one person/day) by lucky draw of a business card once a day
※ Lucky draw of business card: For buyers who participated in consultation with more than three companies

Event 5

Public Servant Voting Event

Participating
company
booths
public
servant
voting place

If a public servant looks around the participating
company booths and votes on the most
impressive booth? Prizes will rain down!

Event 6

Visitor Survey Participation Event

Please give us your precious opinions!
We will give away Starbucks coffee
coupons through a lottery!

* The following schedule is subject to change depending on the circumstances of the organizers.

Classification	Event Name	Venue	3.19(Wed)	3.20(Thu)	3.21(Fri)
Exchange Program	Opening Ceremony	Conference Room inside the Exhibition Hall	11:00~12:30		
	Water and Wastewater Professionals' Night Event	Grand Ballroom, SONO Calm Goyang	17:00~19:00		
International Seminar	Water Industry Export Support Seminar	Export Consultation Meeting Room inside the Exhibition Hall	13:00~16:30		
	Korea-U.S. Water Innovation Seminar	RM 304	13:30~18:00		
	Meeting on Building a Foundation for Expanding International Cooperation in the Water Industry	Executive Office	15:30~16:30		
	International Water Industry Seminar	RM 307		13:00~16:30	
	Seminar on Supporting Certification and Verification for Overseas Expansion of Water Companies	RM 303		14:00~18:00	
Seminar	Workshop on Advancing the Situation Inspection of Public Sewerage Operation Management	RM 303	14:00~16:00		
	Seminar on Designation of Excellent Products and Certification System in the Water Industry	RM 307	14:00~17:00		
	Paradigm of Urban Inundation Management Technology: Urban Inundation Monitoring and Prediction Technology	RM 305		10:00~12:00	
	Presentation on Water Technology Certification in Waterworks System	Conference Room inside the Exhibition Hall		10:00~12:00	
	Water Safety Special Seminar	Conference Room inside the Exhibition Hall		13:30~15:30	
	Waterworks Research Symposium	RM 304		13:30~18:00	
	Gyeonggi-do Region Green Industry Human Resource Development Vitalization Seminar	RM 301		14:00~16:00	
	Innovation and Value up for a Leap Forward in Managing New Water Distribution Networks	RM 305		14:00~18:00	
	Ministry of Environment's Presentation on Project Plans and Budget	Conference Room inside the Exhibition Hall			10:00~15:00
	2025 Water Sector R&D Trends and Special Session on Outstanding Water and Wastewater Technologies	Open Seminar Area inside the Exhibition Hall			10:00~12:00

* The following schedule is subject to change depending on the circumstances of the organizers.

Classification	Event Name	Venue	3.19(Wed)	3.20(Thu)	3.21(Fri)
	2025 World Water Day Commemoration Policy Seminar	RM 301			10:00~12:50
	Presentation on the Development of Domestic Ultra-Pure Water Technology for Semiconductors	Open Seminar Area inside the Exhibition Hall			13:00~13:30
	Water and Wastewater Purchasing and Procurement Capacity Strengthening Seminar	RM 303			13:00~16:00
	Water Supply Service Improvement Case Study Presentation	RM 305			13:00~16:00
	Sewerage Service Improvement Case Study Presentation	RM 306			13:00~16:00
Regular Meeting	2025 First Waterworks Headquarters Council	RM 305B	14:00~15:00		
	Water and Wastewater Education Coordinator Council	RM 305A	13:00~16:00		
	Meeting of Heads of Sewage Departments	RM 306		14:00~16:00	
Business Program	Water Industry Exhibition	Halls 7~8A	10:00~17:00	10:00~17:00	10:00~17:00
	Export Consultation Meeting with Overseas Buyers	Export Consultation Meeting Room inside the Exhibition Hall		10:00~17:00	10:00~16:00
	Domestic Water Field Purchasing Consultation Meeting	Company Booths, Purchase Consultation Meeting Room	10:00~17:00	10:00~17:00	10:00~15:00
	Presentations on Products and Technologies by Participating Companies	Open Seminar Area inside the Exhibition Hall	13:30~16:00	10:30~15:30	
	Exhibition Group Tour Program	Participating Company Booths	13:00 / 14:30 / 15:30	10:30 / 13:30 / 15:30	10:30 / 13:30 / 15:30
Side Event	Sports Festival for Water and Wastewater Professionals	Hall 8B	13:00~17:20	09:00~17:30	09:00~15:30
	Water and Wastewater Facilities Field Trip	Water Treatment Plant, Wastewater Treatment Plant	13:00~15:00	10:00~15:30	10:00~15:30
	Closing Ceremony	Entrance of Hall 7 on Second Floor			16:30~17:00
Simultaneous Hosting	2025 Joint Academic Conference	RMs 401~408		09:00~18:00	09:00~18:00
	2025 World Water Day Commemoration Ceremony	Hall 6C			14:00~14:40

※ Participation in the programs above is free of charge (except for the joint academic conference).
※ To confirm attendance in training hours, please tag your access card on the terminal at the conference hall entrance upon entry/exit.
※ The training hour attendance certificate can be obtained at the issuance desk in the exhibition hall.
※ You can find more details on the WATER KOREA website or through the smartphone app.

Guidance for Issuing a Training Hour Attendance Certificate

We issue training hour attendance certificates when visiting the exhibition hall and attending side events, and seminars. Please tag your access card on the terminal when entering the exhibition area, side event venues, and seminar area, and collect your training hour attendance certificates from the issuing desk in the exhibition hall.

How to collect the training hour attendance certificates

- ① Please tag your access card on the terminal at the entrance of the conference hall upon entry/exit
 - ② Please visit the 'Certificate of Training hour issuance' counter next to Lounge(8A hall) to receive your certificate
- ※ Training hours will not be recognized if there is no entry/exit record or if the stay is less than 50% of the seminar duration

Learning Recognition Program

Date	Time	Event Name	Organized by	Venue	Recognized Hours	Main Details
3.19 (Wed)	13:30-18:00	Korea-U.S. Water Innovation Seminar	Korea Water Partnership	RM 304	5 hours	Sharing of U.S. water market trend, discussion on joint technology cooperation measures between Korea and the United States, etc.
	13:00-16:30	Water Industry Export Support Seminar	KWWA	Inside the Exhibition Hall	4 hours	Sharing of information related to entering promising water markets between overseas buyers and Korean companies
	14:00-16:00	Workshop on Advancing the Situation Inspection of Public Sewerage Operation Management	KWWA	RM 303	2 hours	Guidance on revision of 2025 assessment guidelines and how to prepare indicators
	14:00-17:00	Seminar on Designation of Excellent Products and Certification System in the Water Industry	KWWA	RM 307	3 hours	Introduction of Policy for the Designation of Excellent Products system in Water Industry, Association standard and other Water Technology Certification System
3.20 (Thu)	10:00-12:00	Presentation on Water Technology Certification in Waterworks System	Korea Institute for Water Technology Certification	Inside the Exhibition Hall	2 hours	Guidance on water supply and waterworks installation act, certification system, follow-up management of illegal and defective products, etc.
	10:00-12:00	Paradigm of Urban Inundation Management Technology: Urban Inundation Monitoring and Prediction Technology	National Disaster Management Research Institute	RM 305	2 hours	Sharing of technologies related to urban inundation management, case studies, research, improvement direction, discussion with experts, etc.
	13:00-16:30	Water Industry International Seminar	KWWA	RM 307	4 hours	Invitation of representatives from relevant overseas associations and groups to share information in the area of water
	13:30-15:30	Water Safety Special Seminar	KWWA	Inside the Exhibition Hall	2 hours	Sharing of policies related to improving the stability of water supply facilities, revision of situation inspections, etc.
	13:30-18:00	Waterworks Research Symposium	Water Supply Research Institutes Council	RM 304	5 hours	Regular seminar for water supply research institutions to share research findings and award outstanding papers
	14:00-16:00	Gyeonggi-do Region Green Industry Human Resource Development Vitalization Seminar	KWWA	RM 301	2 hours	Seminar for vitalizing the development of human resources in the green industry of the Gyeonggi-do region
	14:00-18:00	Seminar on Supporting Certification and Verification for Overseas Expansion of Water Companies	Korea Institute for Water Technology Certification	RM 303	4 hours	Sharing of overseas certification acquisition support systems, water company support projects, and success cases of overseas expansion
	14:00-18:00	Innovation and Value up for a Leap Forward in Managing New Water Distribution Networks	Water Supply Pipeline Research Group	RM 305	4 hours	Sharing of the latest trends and technologies in the area of water supply pipelines, and policy discussion
3.21 (Fri)	10:00-15:00	Presentation on Project Plans and Budget by the Ministry of Environment	Ministry of Environment	Inside the Exhibition Hall	4 hours	Introduction to key projects and various systems in the area of water, guidance on procedures for government-funded projects, etc.
	10:00-12:00	2025 Water Sector R&D Trends and Special Session on Outstanding Water and Wastewater Technologies	Korea Environmental Industry and Technology Institute	Inside the Exhibition Hall	2 hours	Introduction of R&D trends in the area of water in Korea and excellent technologies in the area of water and wastewater
	10:00-12:50	2025 World Water Day Commemoration Policy Seminar	Korea Federation of Water Science and Engineering Societies	RM 301	3 hours	2025 World Water Day Commemoration Policy Seminar
	13:00-16:00	Water and Wastewater Purchasing and Procurement Capacity Strengthening Seminar	KWWA	RM 303	3 hours	Guidance on how to use the next-generation Korea On-line E-Procurement System
	13:00-16:00	Water Supply Service Improvement Case Study Presentation	KWWA	RM 305	3 hours	Presentation of best practices by water supply operators for service improvement, budget reduction, etc.
	13:00-16:00	Sewerage Service Improvement Case Study Presentation	KWWA	RM 306	3 hours	Presentation of best practices by sewerage operators for service improvement, budget reduction, etc.
3.19 (Wed)	10:00-17:00	Water Industry Exhibiton	KWWA	Exhibition Halls 7-8A	Max. 2 hours/day	Specialized exhibition with about 200 water companies participating for identification of the latest technologies and trends
3.21 (Fri)	10:00-17:00	Domestic Water Field Purchasing Consultation Meeting	KWWA, Gyeonggi-do Environmental Energy Agency	Inside the Exhibition Hall	2 hours/day	Operation of one-on-one matching consultation to support the domestic market expansion of Korean water companies

* Participation in the programs above is free of charge.

* The schedule above is subject to change without prior notice. Please find more details on the WATER KOREA website or through the smartphone app.

Opening Ceremony/Water and Wastewater Professionals' Night

Opening Ceremony

The event will begin with a ceremony and a tour of the exhibition hall attended by key figures from the government, local governments, and related organizations representing the water industry sector.

- ◆ **Date and Time:** 2025. 3. 19. (Wed) 11:00~13:30
- ◆ **Venue:** Conference hall inside the exhibition center (Hall 7A) and RM 302
- ◆ **Intended Attendees:** VIPs, key participants and representatives from exhibiting companies, foreign dignitaries, visitors, etc.

Time	Program	Venue
11:00-11:01	Entry of VIPs	Conference Room inside the Exhibition Hall (Hall 7A)
11:01-11:10	National Anthem, and Introduction of Distinguished Guests	
11:10-11:15	Opening Speech	
11:15-11:20	Congratulatory Speech 1	
11:20-11:25	Congratulatory Speech 2	
11:25-11:35	Award for Meritorious Service in Water Management	
11:35-11:40	Congratulatory Speech 3	
11:40-11:50	Congratulatory Performance	
11:50-11:55	Taking Commemorative Photos	
11:55-12:00	VIP Ceremony	Exhibition Halls 7-8A
12:00-12:35	Visiting Exhibition Booths	
12:35-13:30	Commemorative Luncheon	RM 302

* The schedule above is subject to change without prior notice. Please find more details on the WATER KOREA website or through the smartphone app.

Water and Wastewater Professionals' Night

A networking event for exhibitors participating in WATER KOREA and stakeholders in the water industry to foster mutual friendship and exchanges

- ◆ **Date and Time:** 2025. 3. 19. (Wed) 17:00~19:00
- ◆ **Venue:** Grand Ballroom, SONO Calm Goyang (second floor)
- ◆ **Intended Attendees:** VIPs, key participants and representatives from exhibiting companies, foreign dignitaries, etc.

Time	Program	Venue
16:30-17:00	Entrance of Attendees, Guidance on Event Programs	Grand Ballroom, SONO Calm Goyang (second floor)
17:00-17:05	Entrance of Key Guest	
17:05-17:25	Congratulatory Performance	
17:25-17:30	Venue Clean-Up and Opening Declaration	
17:30-17:35	Welcoming Speech	
17:35-17:50	Award for Meritorious Service in Water Management	
17:50-17:55	Congratulatory Message	
17:55-18:00	Toast Proposal	
18:00-19:00	Dinner and Networking	

* The schedule above is subject to change without prior notice. Please find more details on the WATER KOREA website or through the smartphone app.

Side Events

Water and Wastewater Facilities Field Trip

- ◆ **Date and Time:** 2025. 3. 19. (Wed)~3. 21. (Fri), 3 days
- ◆ **Participant Quota:** Max. 30 persons per session, first come, first served
- ◆ **Field Trip Schedule**

On-line
Registration

	Time		Water Treatment Plant	Wastewater Treatment Plant
1	3.19 (Wed)	13:00~15:00	Goyang Water Treatment Plant	Seoul Seonam Sewage Treatment Center
2	3.20 (Thurs)	10:00~12:00	Seoul Yeongdeungpo Water Treatment Plant	Seoul Seonam Sewage Treatment Center
3		13:00~15:30	Goyang Water Treatment Plant	Bucheon Gulpo Sewage Treatment Plant
4	3.21 (Fri)	10:00~12:00	Goyang Water Treatment Plant	Seoul Seonam Sewage Treatment Center
5		13:00~15:30	Seoul Yeongdeungpo Water Treatment Plant	Bucheon Gulpo Sewage Treatment Plant

* Only one session per day is allowed.

Sports Festival for Water and Wastewater Professionals

- ◆ **Date and Time:** 2025. 3. 19. (Wed)~3. 21. (Fri), 3 days
- ◆ **Venue:** Exhibition Center 2 Hall 8B
- ◆ **Sports Event:** Foot volleyball, table tennis, badminton

Game Award (nine teams)

1

First place prize money
1 million won

2

second place prize
money 600,000 won

3

third place prize money
400,000 won

※ Trophy and prize money awarded for each event

Cheering Award (three teams)

1

First place prize money
500,000 won

2

second place prize
money 300,000 won

3

third place prize money
200,000 won

Business Programs

Export Consultation Meeting with Overseas Buyers

- ◆ **Date and Time:** 2025. 3. 20. (Thu)~3. 21. (Fri), 2 days
- ◆ **Venue:** Export consultation meeting room inside the exhibition hall

Date	Form	Details
3.20 (Thu)	Matching consultation	Consultation scheduled in advance through pre-matching between buyers and participating companies
3.21 (Fri)	Matching consultation	Consultation scheduled in advance through pre-matching between buyers and participating companies

Domestic Water Field Purchasing Consultation Meeting

- ◆ **Date and Time:** 2025. 3. 19. (Wed)~3. 21. (Fri), 3 days
- ◆ **Venue:** Purchasing consultation meeting room or company booth inside the exhibition hall

Date	Form	Details
3.19 (Wed) ~ 3.21 (Fri)	10:00~10:40	Registration, Exhibition Hall Free Tour
	10:40~12:00	One-on-one consultation through pre-matching/on-site matching between buyers and participating companies
	12:00~13:00	Lunch
	13:00~16:20	One-on-one consultation through pre-matching/on-site matching between buyers and participating companies
	16:20~17:00	Exhibition Hall Free Tour, Dismissal

Presentations on Products and Technologies by Participating Companies

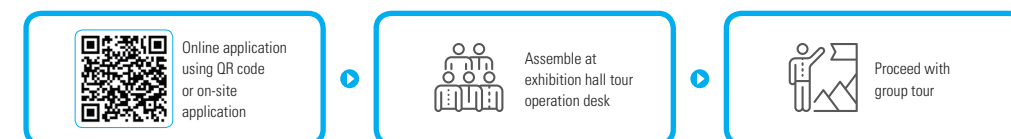

- ◆ **Schedule:** 2025. 3. 19. (Wed)~3. 20. (Thu), 2 days
- ◆ **Venue:** Open seminar area inside the exhibition hall

Date	Time	Company Name	Details
3.19 (Wed)	13:25~13:30	-	Information on presentations on Products and Technologies
	13:30~14:00	Bluewin	A system for dehydrating, reducing, drying, and recycling sewage sludge
	14:00~14:30	Laolbio	Laol Scale Doctor, a device using heat and water quality management device that does not use chemicals
	14:30~15:00	Water Resources Engineering Corporation	AI and big data-based solution for diagnosing the internal condition of water supply pipelines
	15:00~15:30	SOODO E&C	Smart machine cleaning of water supply pipes
	15:30~16:00	WOOSEOK AM TECH	Multifunctional Smart Ultrasonic Watermeter
3.20 (Thurs)	10:25~10:30	-	Information on presentations on Products and Technologies
	10:30~11:00	SAMJIN PRECISION	Samjin-NRX: Wastewater Treatment Method for Integrated Biogasification Facility
	11:00~11:30	SAM BO SCIENTIFIC	Charge Analyzing System Titrator (CAST)
	11:30~12:00	KOREA ENTEC	Success case in preventing algae and improving water quality
	12:00~13:25		Lunchtime
	13:25~13:30	-	Information on presentations on Products and Technologies
	13:30~14:00	JINHAENG WATERWAY	The fundamental solution to pipe issues in the water distribution network "JINHAENG RSI, the pipe performance enhancement device"
	14:00~14:30	Conworth	Smart Construction Data Flow Bottlenecks and Solutions
	14:30~15:00	EPS Resource	Continuous pyrolysis carbon-neutral bio-recycling technology for dry sewage sludge
	15:00~15:30	USOL	Improvement of Leak Detection Capability Using Smart Leak Detectors(Hydrophone)

Exhibition Group Tour Program

We operate an exhibition group tour program for group visitors.
Find out more about the excellent products and technologies of
participating companies through our tour program!

- ◆ **Schedule:** 2025. 3. 19. (Wed)~3. 21. (Fri), 3 days
- ◆ **Participation benefits:** Coffee coupons for use in the lounge area for all tour participants
- ◆ **How to participate** (check tour course)
